

</> Accomplishments </>

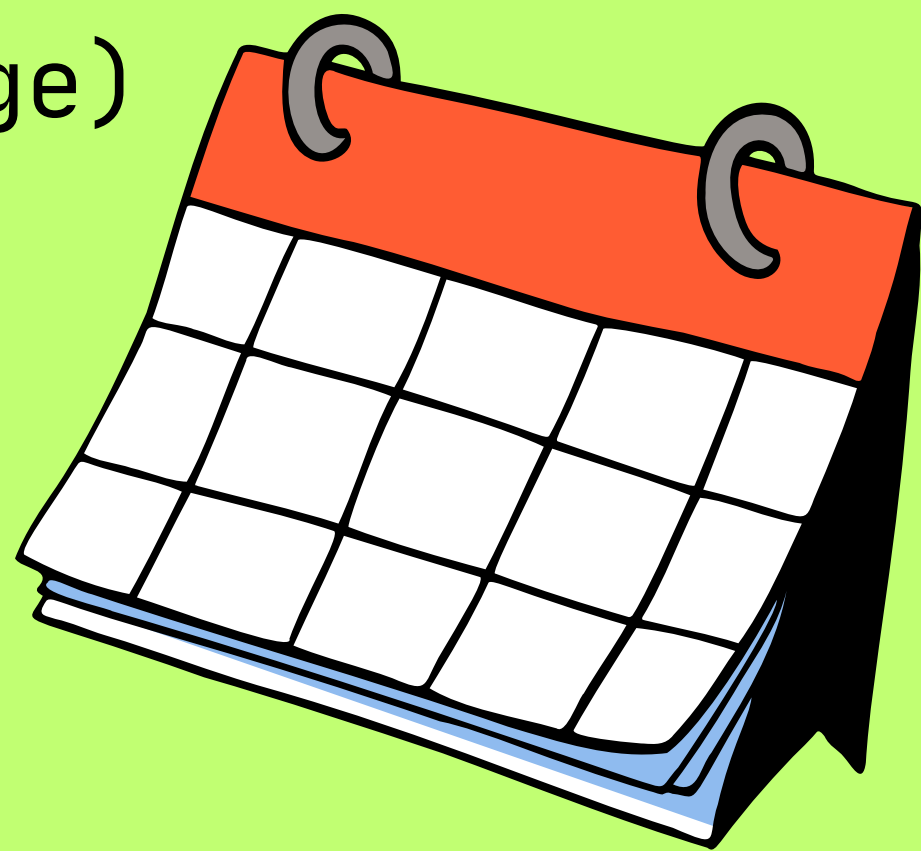

- Multiple ACSL Finalists
- Many USACO Gold and Silver Finalists
- Projects used in Robots and Automation
- 3 members winning in FBLA Nationals in Introduction to Programming
- Over 50 members

</> Schedule </>

We meet the first Monday of every month at Mr Haley’s Room

(Note: these are subject to change)

- September 1st
- October 6th
- November 3rd
- December 1st
- January 5th
- ... and more!

</> Can you figure out what this code does? </>

```
# Can you figure out
# what's the final value
# for # variable a?
def isEven(num):
    if num % 2 == 0:
        return True
    else:
        return False

a = 5
b = a * 2 + 4
c = b / (a + 2)

a = c + 4

if isEven(c):
    a = a - c
else:
    a = c

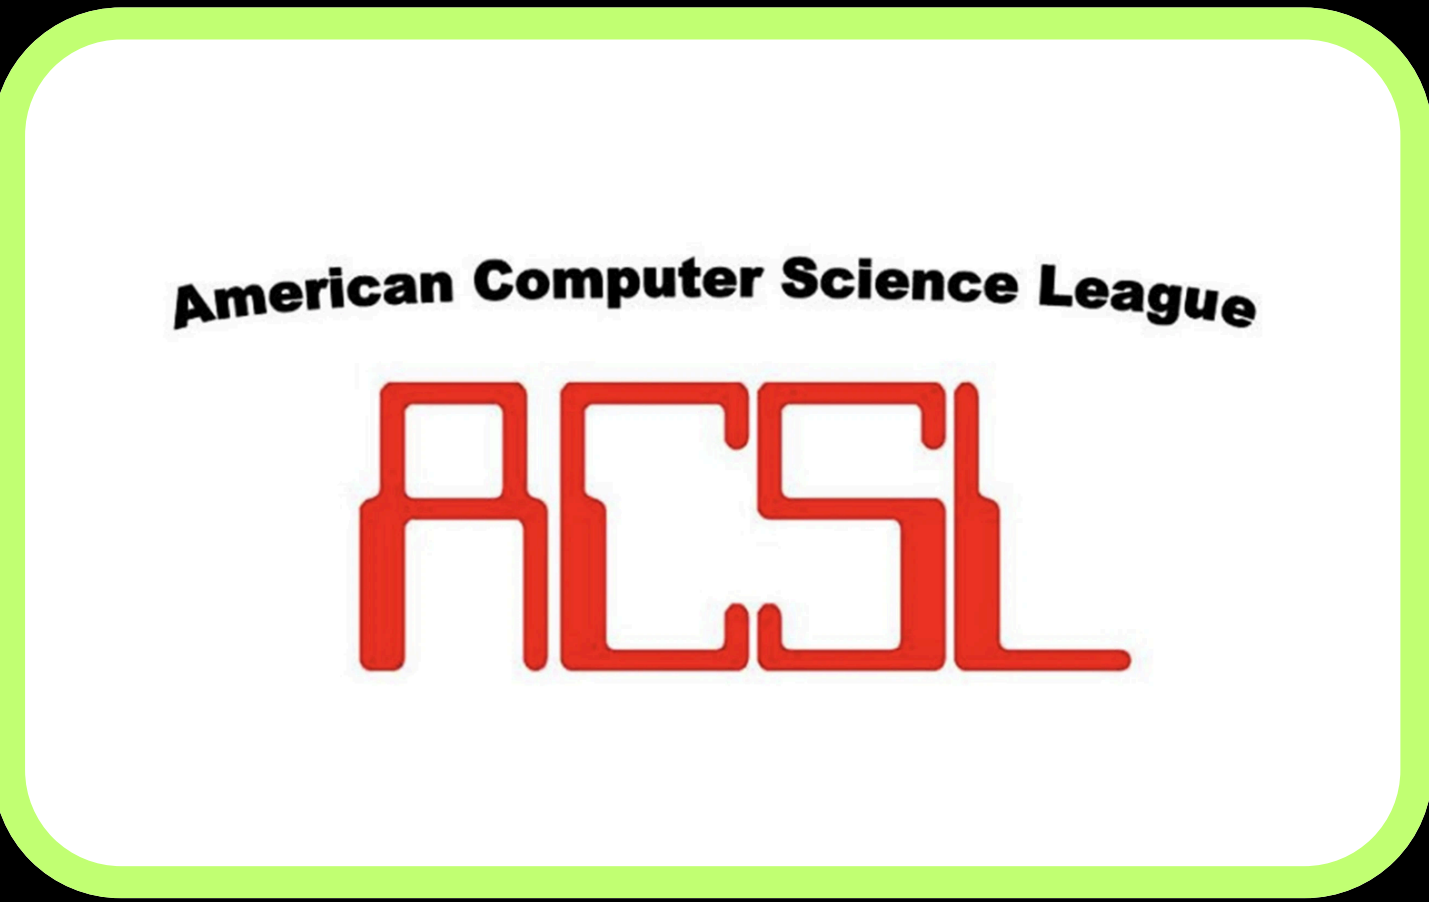

print(a)
```

Lift me to reveal the answer!

</> CV Coding Club </>

</> Competitive Opportunities </>

ACSL

Easy and simple bite-sized coding challenges and coding quizzes

USACO

More difficult, features complex coding problems with higher-level math

</> What else? </>

Hands-on Workshops

We offer extensive collaborative workshops, fostering team-building and community within the club

Networking

A great opportunity to meet people with like-minded interests and build your career

Hackathons

We aim to host multiple short hackathons throughout the school year for everyone!

Other competitions

We also allow you to join other coding competitions such as the Congressional App Challenge

</> Our Team </>

Current Leadership

(Left to right) [President] Aklavya Kumar, [VP] Shrey Deogade. Image from Introduction to Programming at FBLA Nationals

Past Leadership

[Ex Co-President] Noah Shin, Yale University
[Ex Co-President] Luke Greenwalt, Math & CS @ CMU
[Ex-Treasurer] Devin Schultz, Penn State

P.S.: We are in dire need for people for other positions! Apply before too late.
